## Art Club

PPCMS Art Club is a unique environment for creative exploration. We welcome students who are passionate about making art. The club is an open studio in which artists explore new and familiar art media, creating artwork of their own choice. At meetings, students will create art of their own choosing, experimenting with advanced art materials purchased with dues. The sponsor will be available to assist when needed. Occasionally, members will work on projects such as banners or murals that are requested by the school community.
